Features & Benefits

Snug Fit Capitals For Popular Sizes
Eliminates pilot holes and drilling.

Composite Bases - Same Material as the Column Shaft
Durable and made to resist damage.

Split-Fit Columns Save Time and Money
Aligning keys guarantee a proper fit and finish.

Column, Capital and Base Delivered All-in-One Box
SKU's on stock sizes are reduced by 50%. Superior packaging insures product is ready to use.

Square Smooth Pultruded Columns
Offer a lightweight alternative to site-built columns - more durable and manufacturer warranty.

Round Smooth Tapered Columns
Seamless Columns for Popular Sizes
No more parting lines to sand. Paint ready with light sanding out of the box.
